Snack suggestions for August:

Please be sure to check with your teacher for food allergies in your class.

Dates	Theme	Snack suggestions
July 31-Aug 4	Fun with Water	Popsicles Watermelon Goldfish
Aug 7-11	Ooey Goey	Applesauce Pudding Jello
Aug 14-18	Art Expo	Vegies Fruit of any kind Mini bagels w/cream cheese & sprinkles
Aug 21-25	Treasure Hunters	Chocolate Gold Coins Ring pops Fruit Loops

These snacks replace and /or supplement the basic snack provided by the school. Be as creative as you would like - but try to be healthy too! It is fun for the children if the snack incorporates the theme for the week, but it is not necessary. Any kind of fruit is always a good choice.

You may bring snacks in at the beginning of the week or each day, as you prefer. Please label with the teachers' names and dates you are providing.

Thank you for helping!!
